Journal of Exercise Nutrition & Biochemistry

1 이동균 Hi, nice to see you.
You can use the submission and review function according to the membership rights.

2 The Journal of Exercise Nutrition and Biochemistry (JENB) is an official journal of the Korean Society for Exercise Nutrition(KSEN; www.ksen.or.kr). It was launched in 1997 and the language of journal was changed into English from march issue of the year 2011 (Vol. 15, No.1). The scope of the journal includes originality, quality and clarity of the content and the broad area of in vitro and in vivo studies of mechanistic aspects of exercise nutritional and biochemical sciences. The journal publishes 'Original Research Articles, Notes, Communications, and Reviews' on clinical and basic studies including the acute and chronic effects of exercise nutrition and supplementation strategies on body fat and muscle, physical performance and metabolism and physiological pathway in human being and animals. JENB is an international, peer-reviewed open access journal published quarterly (March 31st, June 30th, September 30th, and December 31st). Full text is freely available from: <https://dbpiaone.com/jenb/homepage/open.do>. The JENB is supported, in part, by the Korea Sports Promotion Fund for Academic Activity Support Work from Korea Sports Promotion Foundation.
